MAPLE CEDAR SALMON

- 2 Salmon Fillets
- 2 tbsp Grainy Mustard
- 2 tbsp Pure Maple Syrup
- 2 tbsp balsamic vinegar
- 1 clove of minced garlic
- 1 teaspoon cornstarch

Soak your cedar plank in cold water for ten minutes. To create the glaze, mix all your ingredients in a microwave safe bowl and heat for 1 minute until thickened. Spray your plank, place your salmon skin side down & brush with 1/3 glaze. Close grill & cook for 3 minutes or until plank starts smoking. Add another 1/3 of glaze and cook on indirect heat for 7 minutes or until salmon reaches an internal temperature of 130-135 F. Drizzle with remaining glaze, rest for 5 minutes & enjoy!
